PROFESSIONAL SUMMARY

Dedicated Economics educator with a Master of Arts in Economics and a Bachelor of Education in progress, experienced in online and hybrid teaching, one-to-one academic counselling and student mentoring. Skilled in designing curriculum-aligned lesson plans, assessing student progress, building individual learning plans and fostering critical thinking. Confident using educational technology such as Google Classroom, Zoom, Google Meet and Microsoft Teams to deliver engaging, inclusive lessons. Seeking a role as an Economics Teacher, Social Science / Humanities Teacher or Teaching Assistant in the UAE to support student growth and school excellence.

CORE COMPETENCIES

Lesson Planning • Curriculum Alignment • Student Assessment • Classroom Management • Online & Hybrid Teaching • Individual Learning Plans • Academic Counselling • Student Mentoring • Progress Monitoring • Parent Communication • Career Guidance • Educational Technology

TEACHING & COUNSELLING EXPERIENCE

Online Academic Tutor & Student Mentor **Self-Employed**

Online

Subjects: Academic Guidance, English Language, Arabic Language, General Knowledge, Basic Mathematics

- Delivered one-to-one academic counselling, assessing each student's learning challenges and designing personalised improvement plans.
- Guided students on subject selection, study skills, time management and goal-setting to raise overall academic performance.
- Conducted regular progress reviews to identify early signs of academic difficulty and provide timely intervention.
- Maintained ongoing communication with students and parents to track progress, address concerns and keep learners motivated.
- Designed and delivered structured learning modules in English, Arabic, General Knowledge and Mathematics for different age groups.
- Created a supportive learning environment that built student confidence, self-discipline and ownership of learning.

Key Achievements

- Mentored multiple students to measurable academic improvement through targeted counselling and academic planning.
- Built trust-based relationships with students and families, leading to consistent engagement and retention.
- Communicated with and guided students from diverse linguistic backgrounds in Malayalam and English, with basic Arabic.
- Recognised for patience and empathy, and for motivating disengaged students to rebuild their academic confidence.
